RE: SMOKING COMPOSITIONS  
USSN 519,785 and 519,612  
PM 964 DIV II and III

Dear Yoram:

We are filing divisional applications in the U.S. to cover portions of your invention which had to be separated from your earlier application. Claims have been allowed in that case and we have to get these applications on file promptly. As a formality, we must file another declaration with each and we hope you will sign and return them promptly.

Very truly yours,
